

Strattec Security Corporation Announces Expanded Share Repurchase Program

August 30, 2000

MILWAUKEE, Aug. 30 /PRNewswire/ --

STRATTEC SECURITY CORPORATION (Nasdaq: STRT) announced today that its Board of Directors has authorized the repurchase of an additional 500,000 shares (approximately 11 percent of currently outstanding shares) under its ongoing stock repurchase program. Shares may be repurchased from time to time in open market transactions and will be held as Treasury Shares.

This latest action brings the total repurchase authorization to 2,389,395 shares, of which 1,675,710 have been repurchased to date.

STRATTEC SECURITY CORPORATION designs, develops, manufactures and markets mechanical locks, electro-mechanical locks and related access control products for North American and, through its alliance partners, select European automotive manufacturers.

Forward looking statements in this release are subject to many uncertainties in the Company's operations and business environment. These uncertainties include general economic conditions, in particular, relating to the automotive industry, consumer demand for the Company's and its customers products, competitive and technological developments, foreign currency fluctuations, and costs of operations. Shareholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements made herein are only made as of the date of this press release and the company undertakes no obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances. In addition, such uncertainties and other operational matters are discussed further in the Company's quarterly and annual filings with the Securities and Exchange Commission.
