**Shareholders of record at the close of business on August 19, 2003 are entitled to vote at the meeting. Your vote is important to ensure that a majority of the stock is represented. Please complete, sign and date the enclosed Proxy and return it promptly in the enclosed envelope whether or not you plan to attend the meeting. If you later find that you may be present at the meeting or for any other reason desire to revoke your proxy, you may do so at any time before it is voted.**

**STRATTEC SECURITY CORPORATION  
3333 WEST GOOD HOPE ROAD  
MILWAUKEE, WISCONSIN 53209**

**Proxy Statement for the 2003 Annual Meeting of Shareholders  
to be Held on October 7, 2003**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of STRATTEC SECURITY CORPORATION of proxies, in the accompanying form, to be used at the Annual Meeting of Shareholders of the Corporation to be held on October 7, 2003 and any adjournments thereof. Only shareholders of record at the close of business on August 19, 2003 will be entitled to notice of and to vote at the meeting.

The shares represented by each valid proxy received in time will be voted at the meeting and, if a choice is specified in the proxy, it will be voted in accordance with that specification. If no instructions are specified in a signed proxy returned to the Corporation, the shares represented thereby will be voted in **FAVOR** of the election of the directors listed in the enclosed proxy.

Shareholders may revoke proxies at any time to the extent they have not been exercised. The cost of solicitation of proxies will be borne by the Corporation. Solicitation will be made primarily by use of the mails; however, some solicitation may be made by employees of the Corporation, without additional compensation therefor, by telephone, by facsimile or in person. Only shareholders of record at the close of business on August 19, 2003 will be entitled to notice of and to vote at the meeting. On the record date, the Corporation had outstanding 3,758,392 shares of Common Stock entitled to one vote per share.

A majority of the votes entitled to be cast with respect to each matter submitted to the shareholders, represented either in person or by proxy, shall constitute a quorum with respect to such matter. The election of the directors requires the affirmative vote of a plurality of the shares represented at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by brokers in street name, voting on certain matters due to discretionary authority or instructions from the beneficial owners but not voting on other matters due to lack of authority to vote on such matters without instructions from the beneficial owner) will count toward the quorum requirement and will not count toward the determination of whether such directors are elected. The Inspector of Election appointed by the Board of Directors will count the votes and ballots.

The Corporation's principal executive offices are located at 3333 West Good Hope Road, Milwaukee, Wisconsin 53209. It is expected that this Proxy Statement and the form of Proxy will be mailed to shareholders on or about August 28, 2003.

## PROPOSAL 1: ELECTION OF DIRECTORS

It is intended that shares represented by proxies in the enclosed form will be voted for the election of the nominees in the following table to serve as directors. The Board of Directors of the Corporation is divided into three classes, with the term of office of each class ending in successive years. Two directors are to be elected at the Annual Meeting, each to serve for a term of three years expiring in 2006, and three directors will continue to serve for the terms designated in the following schedule. As indicated below, each individual nominated by the Board of Directors is an incumbent director. The Corporation anticipates that the nominees listed in this Proxy Statement will be candidates when the election is held. However, if for any reason the nominee is not a candidate at that time, proxies will be voted for any substitute nominee designated by the Corporation (except where a proxy withholds authority with respect to the election of directors).

the books and accounts of the Corporation and reviews with such accountants the audited financial statements and their reports thereon. The Audit Committee also consults with the independent public accountants with respect to the annual audit scope and plan of audit and with respect to the adequacy of the Corporation's internal controls and accounting procedures. The Audit Committee met two times during fiscal 2003.

The Board's Compensation Committee is comprised of Messrs. Feitler (Chairman), Koss and Krejci. The Compensation Committee, in addition to such other duties as may be specified by the Board of Directors, reviews the compensation and benefits of senior managers and makes appropriate recommendations to the Board of Directors, administers the Corporation's Economic Value Added Plan for Executive Officers and Senior Managers, administers the Corporation's Stock Incentive Plan and prepares on an annual basis a report on executive compensation. The Compensation Committee met two times during fiscal 2003.

The Board of Directors held four meetings in fiscal 2003, and all of the directors attended all of the meetings of the Board of Directors and the committees thereof on which they served.

#### **Information Regarding Change of Auditors**

On May 30, 2002, the Corporation dismissed Arthur Andersen LLP as its independent public accountants and appointed Deloitte & Touche LLP as its new independent accountants. The decision to dismiss Arthur Andersen LLP and to retain Deloitte & Touche LLP was recommended by the Corporation's Audit Committee and approved by its Board of Directors on May 7, 2002, subject to Deloitte & Touche LLP completing its internal formal client acceptance procedures. Formal client acceptance was received by the Corporation on May 30, 2002. Arthur Andersen LLP's reports on the Corporation's consolidated financial statements for the fiscal year ended July 1, 2001 did not contain an adverse opinion or disclaimer of opinion, nor were the reports qualified or modified as to uncertainty, audit scope or accounting principles. During the Corporation's 2001 fiscal year end and through May 30, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Corporation's consolidated financial statements for such years; and there were no reportable events, as listed in Item 304(a)(1)(v) of SEC Regulation S-K.

During the Corporation's fiscal years ending prior to June 30, 2002 and through May 30, 2002, the Corporation did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Corporation's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of SEC Regulation S-K.

#### **Fees of Independent Auditors**

*Audit Fees.* During the fiscal year ended June 29, 2003, Deloitte & Touche LLP billed the Corporation \$81,700 in fees for professional services rendered for the audit of the Corporation's financial statements and review of the interim financial statements in the Corporation's Quarterly Reports on Form 10-Q and \$36,000 in fees for professional services rendered for statutory and regulatory agency audits. During the fiscal year ended June 30, 2002, Deloitte & Touche LLP billed the Corporation \$68,500 in fees for professional services rendered for the audit of the Corporation's financial statements and \$37,000 in fees for professional services rendered for statutory and regulatory agency audits. Also during the fiscal year ended June 30, 2002, Arthur Andersen LLP billed the Corporation \$10,000 in fees for professional services rendered for the review of the interim financial statements in the Corporation's Quarterly Reports on Form 10-Q.

*Audit-Related Fees.* During the fiscal year ended June 29, 2003, Deloitte & Touche LLP billed the Corporation \$12,000 for professional services rendered to the Corporation for attest-related services and accounting consultation. Neither Deloitte & Touche LLP nor Arthur Andersen LLP rendered any professional services to the Corporation for audit-related services during the fiscal year ended June 30, 2002.

*Tax Fees.* Deloitte & Touche LLP billed the Corporation \$80,000 and \$19,000, respectively, in fees for tax services rendered to the Corporation for the fiscal years ended June 29, 2003 and June 30, 2002. Arthur Andersen LLP billed the Corporation \$78,000 in fees for tax services rendered to the Corporation for the fiscal year ended June 30, 2002.

*All Other Fees.* Neither Deloitte & Touche LLP nor Arthur Andersen LLP billed the Corporation for any other professional services rendered to the Corporation during the fiscal years ended June 29, 2003 and June 30, 2002.

The Audit Committee of the Board of Directors of the Corporation considered that the provision of the services and the payment of the fees described above are compatible with maintaining the independence of Deloitte & Touche LLP, and previously, of Arthur Andersen LLP.

The Audit Committee annually approves the retention of independent accountants to furnish to the Corporation certain accounting, tax and audit services. In addition to the foregoing, the Audit Committee, pursuant to an Audit Committee meeting held on May 20, 2003, approved and authorized \$50,000 to be utilized during fiscal year 2004 at the discretion of the Chief Financial Officer of the Corporation to obtain additional accounting, tax and due diligence services and consultation as needed from the Corporation's independent auditors.

The Board of Directors, upon recommendation of the Audit Committee, will select the Corporation's independent auditors for the 2004 fiscal year. It is expected that a representative of the selected independent auditors will be present at the annual meeting and will have the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions.

#### **Report of the Audit Committee**

The Audit Committee is comprised of three members of the Corporation's Board of Directors. Each member of the Audit Committee is independent as defined in the listing standards of the Nasdaq Stock Market. The duties and responsibilities of the Audit Committee are set forth in the Corporation's Audit Committee Charter, which was amended and restated by the Board of Directors in May 2003. The full text of the Audit Committee's amended and restated Charter is attached as Appendix A to this Proxy Statement.

The Audit Committee has:

- reviewed and discussed the Corporation's audited financial statements for the fiscal year ended June 29, 2003, with the Corporation's management and with Deloitte & Touche LLP;
- discussed with Deloitte & Touche LLP the matters required to be discussed by SAS 61 (Codification for Statements on Auditing Standards); and
- received and discussed the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Statement No. 1 (Independence discussions with Audit Committees) and has discussed with Deloitte & Touche LLP its independence.

Based on such review and discussions with management and Deloitte & Touche LLP, the Audit Committee recommended that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended June 29, 2003, for filing with the Securities and Exchange Commission (the "Commission").

## Compensation of Directors

Each nonemployee director of the Corporation receives an annual retainer fee of \$8,000, a fee of \$750 for each Board meeting attended and a fee of \$500 for each committee meeting attended. Effective June 30, 1997, the Corporation implemented an Economic Value Added Plan for Non-Employee Members of the Board of Directors (the "Director EVA\* Plan"). The purpose of the Director EVA Plan is to maximize long-term shareholder value by providing incentive compensation to nonemployee directors in a form which relates the financial reward to an increase in the value of the Corporation to its shareholders and to enhance the Corporation's ability to attract and retain outstanding individuals to serve as nonemployee directors of the Corporation. The Director EVA Plan provides for the payment of a potential cash bonus to each nonemployee director equal to the product of (a) 40% of the director's retainer and meeting fees for the fiscal year, multiplied by (b) a Company Performance Factor. In general, the Company Performance Factor is determined by reference to the financial performance of the Corporation relative to a targeted cash-based return on capital, which is intended to approximate the Corporation's weighted cost of capital (which was 12% for fiscal 2003). For fiscal 2003, Messrs. Feitler, Koss and Krejci each received a bonus of \$10,660 pursuant to the Director EVA Plan.

## COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Corporation's Compensation Committee (the "Committee"), which is comprised of three outside directors of the Corporation, is responsible for considering and approving compensation arrangements for senior management of the Corporation, including the Corporation's executive officers and the chief executive officer. The objectives of the Committee in establishing compensation arrangements for senior management are to: (i) attract and retain key executives who are important to the continued success of the Corporation; and (ii) provide strong financial incentives, at reasonable cost to the shareholders, for senior management to enhance the value of the shareholders' investment.

The primary components of the Corporation's executive compensation program are (i) base salary, (ii) incentive compensation bonuses and (iii) stock options.

The Committee believes that:

- The Corporation's incentive plans provide strong incentives for management to increase shareholder value;
- The Corporation's pay levels are appropriately targeted to attract and retain key executives; and
- The Corporation's total compensation program is a cost-effective strategy to increase shareholder value.

### Base Salaries

Executive officers' base salaries are reviewed annually by the Committee, based on level of responsibility and individual performance. It is the Corporation's objective that base salary levels, in the aggregate, be at competitive salary levels. In fixing competitive base salary levels, the Committee used a survey of a broad group of domestic industrial organizations from all segments of industry. From this survey, the Committee determined a competitive salary level for fiscal 2003 for each executive officer position near the average derived from the survey for positions with similar responsibilities at companies with a similar level of sales, also taking into account additional factors such as the executive officer's performance. Because the survey was based on industry-wide studies, the companies in the survey do not correspond to the companies that make up the Dow Jones U.S. Auto Parts Index, which is used by the Corporation as the published industry index for comparison in the Performance Graph on page 8.

### Incentive Bonuses

The Corporation maintains an Economic Value Added ("EVA") Plan for Executive Officers and Senior Managers (the "EVA Plan"), the purpose of which is to provide incentive compensation to certain key employees, including all executive officers, in a form which relates the financial reward to an increase in the value of the Corporation to its shareholders. In general, EVA is the net operating profit after cash basis taxes, less a capital charge. The capital charge is intended to represent the return expected by the providers of the Corporation's capital. The Corporation believes that EVA improvement is the financial performance measure most closely correlated with increases in shareholder value.

For fiscal 2003, the amount of bonus which a participant was entitled to earn was derived from a Company Performance Factor and from an Individual Performance Factor. The Company Performance Factor was determined by reference to the financial performance of the Corporation relative to a targeted cash-based return on capital established by the Committee, which is intended to approximate the Corporation's weighted cost of capital. The Individual Performance Factor was determined by reference to the level of attainment of certain quantifiable and non-quantifiable company or individual goals which contribute to increasing the value of the Corporation to its shareholders. Individual Target Incentive Awards under the EVA Plan range from 75% of base compensation for the Chairman of the Board and Chief Executive Officer to 35% of base compensation for other officers for fiscal 2003. Mr. Stratton's fiscal 2003 bonus equals 172% of his Target Incentive Award.

---

The EVA Plan provides the powerful incentive of an uncapped bonus opportunity, but also uses a “Bonus Bank” to ensure that significant EVA improvements are sustained before significant bonus awards are paid out. The Bonus Bank feature applies to those participants determined by the Committee to be “Executive Officers” under the EVA Plan. All of the named executive officers have been designated Executive Officers for fiscal 2003. Each year, any accrued bonus in excess of 125% of the target bonus award is added to the outstanding Bonus Bank balance. The bonus paid is equal to the accrued bonus for the year, up to a maximum of 125% of the target bonus, plus 33% of the Bonus Bank balance at the end of the year. Thus, significant EVA improvements must be sustained for several years to ensure full payout of the accrued bonus. A Bonus Bank account is considered “at risk” in the sense that in any year the accrued bonus is negative, the negative bonus amount is subtracted from the outstanding Bonus Bank balance. In the event the outstanding Bonus Bank balance at the beginning of the year is negative, the bonus paid is limited to the accrued bonus up to a maximum of 75% of the target bonus. The executive is not expected to repay negative balances. On termination of employment due to death, disability or retirement or by the Corporation without cause, any positive available balance in the Bonus Bank will be paid to the terminating executive or his designated beneficiary or estate. Executive officers who voluntarily leave to accept employment elsewhere or who are terminated for cause will forfeit any positive available balance. The executive is not expected to repay negative balances upon termination or retirement.

#### **Stock Incentive Plan**

In 1994, the Corporation established the STRATTEC SECURITY CORPORATION Stock Incentive Plan (“Incentive Plan”), most recently amended as of May 20, 2003. The Incentive Plan authorizes the Committee to grant to officers and other key employees stock incentive awards in the form of stock options and/or stock appreciation rights. During fiscal 2003, the Committee granted options to purchase Common Stock to the executives as shown in the Summary Compensation Table.

On August 19, 2003, after publication of financial results for fiscal 2003, the Committee granted leveraged stock options (LSOs) to 15 key employees, including options to purchase 25,490 shares to Mr. Stratton, options to purchase 20,070 shares to Mr. Cahill, options to purchase 5,460 shares to Mr. Hansen, options to purchase 5,340 shares to Mr. Harrod and options to purchase 5,400 shares to Mr. Pfaehler, based on the amount of incentive bonus under the EVA Plan earned for fiscal 2003. The method of calculating the number of options granted to each executive, and the method of determining their exercise price, is set forth in the EVA Plan and Incentive Plan. These leveraged stock options have an exercise price of \$61.68 per share and provide a form of option grant that simulates a stock purchase with 10:1 leverage. The number of leveraged options granted to Mr. Stratton for fiscal 2003 was determined in the manner described and was based on his incentive bonus for fiscal 2003.

The maximum aggregate number of LSOs to be granted each year is 80,000. If the Total Bonus Payout under EVA produces more than 80,000 LSOs in any year, LSOs granted for that year will be reduced pro-rata based on proportionate Total Bonus Payouts under the EVA Plan. The amount of any such reduction shall be carried forward to subsequent years and invested in LSOs to the extent the annual limitation is not exceeded in such years.

#### **Compensation of the Chief Executive Officer**

The compensation awarded to Mr. Stratton reflects the basic philosophy generally discussed above that compensation be based on Corporation and individual performance.

The Committee determined Mr. Stratton’s base salary for fiscal 2003 based on the compensation survey and annual review described above. With respect to the EVA Plan and the Stock Incentive Plan, Mr. Stratton’s awards for fiscal 2003 were determined in the same manner as for all other participants in these plans.

## Retirement Plan and Supplemental Pension Plan

The Corporation maintains a defined benefit retirement plan (the "Retirement Plan") covering all executive officers and substantially all other employees in the United States. Under the Retirement Plan, nonbargaining

unit employees receive an annual pension payable on a monthly basis at retirement equal to 1.6% of the employee's average of the highest 5 years of compensation during the last 10 calendar years of service prior to retirement multiplied by the number of years of credited service, with an offset of 50% of Social Security (prorated if years of credited service are less than 30). Compensation under the Retirement Plan includes the compensation as shown in the Summary Compensation Table under the heading "Salary and Bonus," subject to a maximum compensation amount set by law (\$200,000 in 2003).

Executive officers participate in a program which supplements benefits under the Retirement Plan. Under the Supplemental Executive Retirement Plan (the "Supplemental Pension Plan"), executive officers are provided with additional increments of (a) 0.50% of compensation (as limited under the Retirement Plan) per year of credited service over the benefits payable under the Retirement Plan to nonbargaining unit employees and (b) 2.1% of the compensation exceeding the Retirement Plan dollar compensation limit per year of credited service.

A Rabbi trust has been created for deposit of the aggregate present value of the benefits described above for executive officers.

The following table shows total estimated annual benefits payable from the Retirement Plan and the unfunded Supplemental Pension Plan to executive officers upon normal retirement at age 65 at specified compensation and years of service classifications calculated on a single life basis and adjusted for the projected Social Security offset:

Average Annual Compensation in Highest 5 of Last 10 Calendar Years of Service	Annual Pension Payable for Life After Specified Years of Credited Service

\* Figures reduced to reflect the maximum limitation under the plans of 70% of compensation.

The above table does not reflect limitations imposed by the Internal Revenue Code of 1986, as amended, on pensions paid under federal income tax qualified plans. However, an executive officer covered by the Corporation's unfunded program will receive the full pension to which he would be entitled in the absence of such limitations.

#### Employment Agreements

Each named executive officer of the Corporation has signed an employment agreement with the Company. The term of each agreement automatically extends for one year each June 30 unless either party gives 30 days' notice that the agreement will not be further extended. Under the agreement, the officer agrees to perform the duties currently being performed in addition to other duties that may be assigned from time to time. The Corporation agrees to pay the officer a salary of not less than that of the previous year and to provide fringe benefits that are provided to all other salaried employees of the Corporation in comparable positions.

---

### **Change of Control Employment Agreements**

Each executive officer of the Corporation has signed a change in control employment agreement which guarantees the employee continued employment following a "change in control" on a basis equivalent to the employee's employment immediately prior to such change in terms of position, duties, compensation and benefits, as well as specified payments upon termination following a change in control. The Corporation currently has such agreements with the five named executive officers. Such agreements become effective only upon a defined change in control of the Corporation, or if the employee's employment is terminated upon, or in anticipation of such a change in control, and automatically supersede any existing employment agreement. Under the agreements, if during the employment term (three years from the change in control) the employee is terminated other than for "cause" or if the employee voluntarily terminates his employment for good reason or during a 30-day window period one year after a change in control, the employee is entitled to specified severance benefits, including a lump sum payment of three times the sum of the employee's annual salary and bonus and a "gross-up" payment which will, in general, effectively reimburse the employee for any amounts paid under federal excise taxes.

### **ANNUAL REPORT TO THE SECURITIES AND EXCHANGE COMMISSION ON FORM 10-K**

The Corporation is required to file an annual report, called a Form 10-K, with the Commission. A copy of Form 10-K for the fiscal year ended June 29, 2003 will be made available, without charge, to any person entitled to vote at the Annual Meeting. Written request should be directed to Patrick J. Hansen, Office of the Corporate Secretary, STRATTEC SECURITY CORPORATION, 3333 West Good Hope Road, Milwaukee, Wisconsin 53209.

### **SHAREHOLDER PROPOSALS**

Proposals which shareholders intend to present at the 2004 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Exchange Act must be received at the Corporation's principal offices in Milwaukee, Wisconsin no later than April 30, 2004 for inclusion in the proxy material for that meeting. Proposals submitted other than pursuant to Rule 14a-8 will be considered untimely if received after May 31, 2004 and the Corporation will not be required to present any such proposal at the 2004 Annual Meeting of Shareholders. If the Board of Directors decides to present a proposal despite its untimeliness, the people named in the proxies solicited by the Board of Directors for the 2004 Annual Meeting of Shareholders will have the right to exercise discretionary voting power with respect to such proposal.

### **OTHER MATTERS**

The directors of the Corporation know of no other matters to be brought before the meeting. If any other matters properly come before the meeting, including any adjournment or adjournments thereof, it is intended that proxies received in response to this solicitation will be voted on such matters in the discretion of the person or persons named in the accompanying proxy form.
