f. The first sentence of Section 2.01 of the Credit Agreement is amended to change the date "August 1, 2016" to "August 1, 2018".

4. Conditions. Notwithstanding any other provision of this Amendment, this Amendment shall not become effective unless and until (a) it has been executed and delivered by all parties to the Credit Agreement as amended hereby, (b) the Amended Note shall have been executed and delivered by the Company, in form and substance satisfactory to the Lender, and (c) the Company shall have delivered such other corporate documents as Lender or its counsel may reasonably request, in form and substance satisfactory to the Lender.

5. Representations and Warranties. The Company hereby repeats and reaffirms the representations and warranties set forth in Article V of the Credit Agreement, including without limitation the representations and warranties set forth in Section 5.05 thereof which are made hereunder with respect to the most recent financial statements and related information provided pursuant to Section 7.06 of the Credit Agreement. The Company also represents and warrants that (A) since [March 31], 2015 there has been no material adverse change in the property, financial condition or business operations of the Company and its Subsidiaries, taken as a whole, and (B) the execution, delivery and performance of this Amendment are within the corporate powers of the Company, have been duly authorized by all necessary corporate action and do not and will not (i) require any consent or approval of the shareholders of the Company; (ii) violate any provision of the articles of incorporation or by-laws of the Company or of any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to the Company or any Subsidiary; (iii) require the consent or approval of, or filing or registration with, any governmental body, agency or authority; or (iv) result in any breach of or constitute a default under, or result in the imposition of any lien, charge or encumbrance upon any property of the Company or any Subsidiary pursuant to any indenture or other agreement or instrument under which the Company or any Subsidiary is a party or by which it or its properties may be bound or affected. This Amendment constitutes, and each of the documents required herein when executed and delivered hereunder will constitute, legal, valid and binding obligations of the Company or other

signatory enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy or similar laws affecting the enforceability of creditors' rights generally.

6. Confirmation of Agreements. Except as expressly provided above, the Credit Agreement and the Loan Documents shall remain in full force and effect. This Amendment does not constitute a waiver or amendment of any term, condition or covenant in the Credit Agreement other than as specifically set forth above. Nothing contained in this Amendment or in any other document, or any course of dealing with the Company, shall be construed to imply that there is any agreement by the Lender to provide any waiver or agree to any amendment in the future. This Amendment shall not release, discharge or satisfy any present or future debts, obligations or liabilities to the Lender of the Company or of any debtor, guarantor or other person or entity liable for payment or performance of any of such debts, obligations or liabilities of the Company, or any mortgage, security interest, lien or other collateral or security for any of such debts, obligations or liabilities of the Company or such debtors, guarantors or other persons or entities, or waive any default except as expressly provided herein, and the Lender expressly reserves all of its rights and remedies with respect to the Company and all such debtors, guarantors or other persons or entities, and all such mortgages, security interests, liens and other collateral and security. This Amendment may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument. From time to time prior to June 30, 2015 or the earlier termination in full of the Revolving Commitment pursuant to the terms and conditions set forth herein (in either case, the "Termination Date"), and subject to all of the terms and conditions of this Agreement, the Company may obtain Loans ("Revolving Loans") from the Lender up to the amount of the outstanding Revolving Commitment, repay such Loans and reborrow hereunder; provided that no Revolving Loan shall be made if after giving effect to such Revolving Loan the aggregate principal amount of all outstanding Revolving Loans plus the outstanding Letter of Credit Obligations would exceed the Revolving Commitment. Each advance of Revolving Loans shall be in a minimum amount of \$250,000 (subject to Section 3.01 in the case of Adjusted LIBOR Rate Loans). The Revolving Loans shall be evidenced by a single promissory note of the Company (the "Revolving Note" or "Note"), in the form of Exhibit 2.01 annexed hereto, payable to the order of the Lender. The Revolving Note shall be executed by the Company and delivered to the Lender prior to the initial Loans. Although the Revolving Note shall be expressed to be payable in the full amount of the Revolving Commitment, the Company shall be obligated to pay only the principal amount of Revolving Loans advanced to or for the account of the Company, together with interest on the unpaid balance of such Revolving Loans which remains outstanding from time to time, at the rates and on the dates specified herein or in the Revolving Note, together with the other amounts provided herein. The Company shall repay to the Lender on the Termination Date the aggregate principal amount of Revolving Loans outstanding on such date.

Each Letter of Credit shall have a stated term ending on the earlier of (i) one year from its date of issuance or (ii) thirty (30) days prior to the Termination Date; provided that Letters of Credit may have annual renewal provisions so long as the final expiration date is not later than thirty (30) days prior to the Termination Date. All Letters of Credit shall be issued pursuant to letter of credit applications and other documentation to be agreed upon by the Company and the Lender.

(b) Reimbursement; Revolving Loans. In the event of any drawing on a Letter of Credit, the Lender will promptly notify the Company and the Company will reimburse the Lender prior to 3:00 p.m. Milwaukee time on the date that any amount is paid by the Lender on such Letter of Credit (the "Honor Date"), in an amount equal to the amount so paid by the Lender (the "Reimbursement Amount"); provided that if the Lender notifies the Company after 11:00 a.m. Milwaukee time on the Honor Date, the Company shall be obligated to reimburse the Lender prior to 3:00 p.m. Milwaukee time on the Business Day immediately following the Honor Date. The Company agrees to pay to the Lender the following fees with respect to Letters of Credit: (i) a letter of credit fee in respect of all outstanding Letters of Credit, payable quarterly in arrears on the last Business Day of each calendar quarter at a rate per annum equal to the LIBOR Margin calculated on the daily average amount of Letter of Credit Obligations outstanding during such calendar quarter, and (ii) for each Letter of Credit, the standard and customary fees and other charges required by Lender for the issuance, amendment, cancellation, negotiation or transfer of such Letter of Credit and each drawing made thereunder.

(d) Reimbursement. The Company hereby unconditionally promises to pay to the Lender, upon demand, without defense, setoff or counterclaim, the amount of each

drawing under the Letters of Credit, and if such amount is not paid or converted into a Revolving Loan by the time set forth in subsection (b) above, interest on the foregoing from the date such amount is to be reimbursed as set forth in subsection (b) above at (i) the Adjusted Base Rate for a period of two Business Days from the date of drawing, and (ii) if such amount remains unpaid for more than two Business Days, a rate equal to 2% per annum in excess of the Adjusted Base Rate thereafter.

(e) Reliance on Documents. Delivery to the Lender of any documents complying on their face with the requirements of any Letter of Credit shall be sufficient evidence of the validity, genuineness and sufficiency thereof and of the good faith and proper performance of drawers and users of such Letter of Credit, their agents and assignees notwithstanding any dispute or disagreement between the Lender and the Company in respect of the same; and the Lender may rely thereon without liability or responsibility with respect thereto, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged; provided that payment by the Lender under the applicable Letter of Credit shall not have constituted gross negligence or willful misconduct on the part of Lender under the circumstances in question (as determined by a final judgment of a court of competent jurisdiction).

of the Company and its Subsidiaries do not include, and neither the Company nor any Subsidiary has any present intention of acquiring, any such security.

ADMINISTRATION OF CREDIT

Section 3.01 Interest on Loans.

Each Revolving Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing Date at a rate per annum equal to the applicable Adjusted Base Rate or the Adjusted LIBOR Rate according to the terms of this Article III. The unpaid principal balance of the Revolving Notes may be comprised of Adjusted Base Rate Loans and/or Adjusted LIBOR Rate Loans as elected by the Company from time to time in accordance with the procedures set forth below; provided, however, that each Adjusted LIBOR Rate Loan must be in a minimum amount of \$250,000 or a multiple of \$100,000 in excess of that amount; provided, further, that no election of an Adjusted LIBOR Rate Loan shall become effective if any Default or Event of Default has occurred and is continuing; and provided, further, that no more than ten different Interest Periods for Adjusted LIBOR Rate Loans may be outstanding at any one time. Each notice of election of an Adjusted LIBOR Rate Loan shall be irrevocable.

Section 3.02 Borrowing Procedure.

The Company will request a Revolving Loan by written notice in the form of Exhibit 3.02 annexed hereto, or by telephonic notice (which notice shall be confirmed in writing if the Lender so requests), which notices will be irrevocable, to the Lender not later than

11:00 a.m., Milwaukee Wisconsin time, on the proposed Borrowing Date, or, in the case of an Adjusted LIBOR Rate Loan, not less than three Business Days before the proposed Borrowing Date. In the event of any inconsistency between the telephonic notice and the written confirmation thereof, the telephonic notice will control. Each such request will be effective upon receipt by the Lender and will specify (i) the amount of the requested Loan; (ii) the proposed Borrowing Date; (iii) whether such Loan will bear interest at the Adjusted Base Rate or at the Adjusted LIBOR Rate; and (iv) in the case of an Adjusted LIBOR Rate Loan, the Interest Period therefor. Upon its receipt of such notice from the Company, subject to the terms and conditions of this Agreement the Lender will make a Revolving Loan to the Company in the requested amount.

Section 3.03 Conversion.

The Company may elect from time to time, subject to the terms and conditions of the Revolving Note and this Agreement, to convert all or a portion of an Adjusted Base Rate Loan into an Adjusted LIBOR Rate Loan or to convert all or a portion of an Adjusted LIBOR Rate Loan into an Adjusted Base Rate Loan; provided, however, that any conversion of an Adjusted LIBOR Rate Loan will occur on the last day of the Interest Period applicable thereto.

Section 3.04 Automatic Conversion.

An Adjusted Base Rate Loan will continue as an Adjusted Base Rate Loan unless and until converted into an Adjusted LIBOR Rate Loan. At the end of the applicable Interest Period for an Adjusted LIBOR Rate Loan, such Adjusted LIBOR Rate Loan will automatically be converted into an Adjusted Base Rate Loan unless the Company shall have given the Lender notice in accordance with Section 3.05 requesting that, at the end of such Interest Period, all or a portion of such Adjusted LIBOR Rate Loan be continued as an Adjusted LIBOR Rate Loan for an additional Interest Period.

Section 3.05 Conversion and Continuation Procedure.

The Company will give the Lender written notice in the form of Exhibit 3.05 annexed hereto, or telephonic notice (confirmed in writing if the Lender so requests), which notices will be irrevocable, of each conversion of an Adjusted Base Rate Loan or Adjusted LIBOR Rate Loan or continuation of an Adjusted LIBOR Rate Loan not later than 11:00 a.m., Milwaukee, Wisconsin time, on a Business Day which is not less than three Business Days before the date of the requested conversion or continuation, specifying (i) the requested date (which must be a Business Day) of such conversion or continuation; (ii) the amount of the Loan to be converted or continued; (iii) whether such Loan currently bears interest at the Adjusted Base Rate or the Adjusted LIBOR Rate; and (iv) the duration of the Interest Period to be applicable thereto.

Section 3.06 Basis for Determining Interest Rate Inadequate or Unfair.

If with respect to an Interest Period for any Adjusted LIBOR Rate Loan:

(a) the Lender determines in good faith (which determination will be binding and conclusive on the Company) that by reason of circumstances affecting the London

interbank market adequate and reasonable means do not exist for ascertaining the applicable Adjusted LIBOR Rate; or

(b) the Lender reasonably determines (which determination will be binding and conclusive on the Company) that the Adjusted LIBOR Rate will not adequately and fairly reflect the cost of maintaining or funding such Adjusted LIBOR Rate Loan for such Interest Period, or that the making or funding of Adjusted LIBOR Rate Loans has become impracticable as a result of an event occurring after the date of this Agreement which in the opinion of Lender materially affects Adjusted LIBOR Rate Loans;

then, (a) the Lender will promptly notify the Company thereof, and (b) so long as such circumstances continue, the Lender will not be under any obligation to make any new Adjusted LIBOR Rate Loan so affected.

Section 3.07 Changes in Law Rendering Certain Loans Unlawful.

In the event that any Regulatory Change should make it (or, in the good faith judgment of the Lender, should raise substantial questions as to whether it is) unlawful for Lender to make, maintain or fund an Adjusted LIBOR Rate Loan, (i) Lender will promptly notify the Company; (ii) the obligation of Lender to make Adjusted LIBOR Rate Loans shall, upon the effectiveness of such event, be suspended for the duration of such unlawfulness; and (iii) upon such notice, any outstanding Adjusted LIBOR Rate Loan made by Lender will automatically convert into an Adjusted Base Rate Loan.

Section 3.08 Increased Costs.

If any Regulatory Change,

(a) shall subject Lender to any tax, duty or other charge with respect to any of its Loans hereunder, or shall change the basis of taxation of payments to Lender of the principal or interest on its Loans hereunder, or any other amounts due under this Agreement in respect of such Loans, or its obligation to make Loans hereunder (except for changes in the rate of tax on the overall net income of Lender);

(b) shall impose, modify or make applicable any reserve (including, without limitation, any reserve imposed by the Board of Governors of the Federal Reserve System, but excluding any reserve included in the determination of the Adjusted LIBOR Rate), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, Lender; or

(c) shall impose on Lender any other condition affecting its Loans hereunder;

and the result of any of the foregoing is to increase the cost to (or in the case of Regulation D or any other analogous law, rule or regulation, to impose a cost on) Lender of making or maintaining any Loans hereunder, or to reduce the amount of any sum received or receivable by Lender under this Agreement and any document or instrument related hereto; then upon notice from Lender (which notice shall be accompanied by a statement setting forth in reasonable detail the basis of such increased cost or other effect

on the Loans), and provided that Lender is giving similar notice to other similarly situated corporate borrowers of Lender, the Company shall pay directly to Lender, on demand, such additional amount or amounts as will compensate Lender for such increased cost or such reduction.

Section 3.09 Discretion of Lender as to Manner of Funding.

Notwithstanding any provision of this Agreement to the contrary, the Lender shall be entitled to fund and maintain its funding of all or any part of the Loans to the Company hereunder in any manner it sees fit.

Section 3.10 Capital Adequacy.

If any Regulatory Change affects the treatment of any Loan hereunder of Lender as an asset or other item included for the purpose of calculating the appropriate amount of capital to be maintained by Lender or any corporation controlling Lender and has the effect of reducing the rate of return on Lender's or such corporation's capital as a consequence of the obligations of Lender hereunder to a level below that which Lender or such corporation could have achieved but for such Regulatory Change (taking into account Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed in good faith by Lender to be material, then the Company shall pay to Lender, on demand, such additional amount or amounts as will compensate Lender or such corporation, as the case may be, for such reduction. Lender shall provide to the Company a certificate demonstrating Lender's calculations of the amount requested.

Section 3.11 Limitation on Prepayment.

An Adjusted Base Rate Loan may be prepaid at the option of the Company in whole or in part at any time without premium or penalty. An Adjusted LIBOR Rate Loan may be prepaid in whole or in part at any time at the option of the Company; provided, however, that prepayment prior to the last day of the Interest Period applicable thereto will require the payment by Company of the amount (if any) required by Section 3.12. All prepayments shall be accompanied by interest accrued on the amount prepaid through the date of prepayment. The Company will provide written or telephonic notice (which notice shall be confirmed in writing if the Lender so requests), which notices shall be irrevocable, to the Lender not later than (i) 11:00 a.m., Milwaukee, Wisconsin time, on any proposed date of prepayment of any Adjusted Base Rate Loan, and (ii) 3:00 p.m., Milwaukee, Wisconsin time, on the date that is three (3) Business Days prior to the proposed date of prepayment of any Adjusted LIBOR Rate Loan.

Section 3.12 Funding Losses.

The Company hereby agrees that upon demand by Lender (which demand shall be accompanied by a statement setting forth in reasonable detail the basis for the calculations of the amount being claimed) the Company will indemnify Lender against any loss or expense which Lender may sustain or incur (including, without limitation, any net loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by Lender to fund or maintain Adjusted LIBOR Rate Loans and any loss of anticipated return), as reasonably determined by Lender, as a result of (i) any payment, prepayment or conversion of any Adjusted

LIBOR Rate Loan on a date other than the last day of an Interest Period for such Loan whether or not required by any other provisions of this Agreement, or (ii) any failure of the Company to draw down the proceeds of an Adjusted LIBOR Rate Loan on a Borrowing Date or to convert an Adjusted Base Rate Loan to an Adjusted LIBOR Rate Loan or to continue an Adjusted LIBOR Rate Loan at the end of any Interest Period, in each case as specified by the Company in a notice of borrowing as provided in Section 3.02 or in a conversion or continuation notice as provided in Section 3.05.

Section 3.13 Conclusiveness of Statements; Survival of Provisions.

Determinations and statements of Lender pursuant to Sections 3.07, 3.08, 3.10 and 3.12 shall be rebuttably presumptive evidence of the correctness of the determinations and statements and shall be conclusive absent manifest error.

Section 3.14 Obligation to Mitigate.

(a) Lender agrees that, as promptly as practicable after the officer of Lender responsible for administering the Loans becomes aware of the occurrence of an event or the existence of a condition that would entitle Lender to receive payments under Section 3.08, 3.10 or 3.12, it will, to the extent not inconsistent with the internal policies of Lender and any applicable legal or regulatory restrictions, use reasonable efforts (i) to make, issue, fund or maintain the Revolving Commitment or the affected Loans through another lending office of Lender, or (ii) take such other measures as Lender may deem reasonable, if as a result thereof the additional amounts which would otherwise be required to be paid to Lender pursuant to Section 3.08, 3.10 or 3.12, would be materially reduced and if, as determined by Lender in its sole discretion, the making, issuing, funding or maintaining of such Commitment or Loans through such other lending office or in accordance with such other measures, as the case may be, would not otherwise materially adversely affect such Commitment or Loans or the interests of Lender.

Section 3.15 Survival of Provisions.

The provisions of Sections 3.08, 3.10 and 3.12 shall survive the obligation of the Lender to extend credit under this Agreement and the repayment of the Loans and the Letter of Credit Obligations.

Section 3.16 Computations of Interest.

All computations of interest and other amounts due under the Notes and fees and other amounts due under this Agreement will be based on a 360-day year using the actual number of days occurring in the period for which such interest, fees or other amounts are payable; provided, that interest accrued at the Adjusted Base Rate shall be computed on the basis of a 365-day (or 366-day, as applicable) year.

Section 3.17 Payments; Loan Account.

(a) Interest on all Loans will be due and payable (i) in the case of an Adjusted Base Rate Loan, quarterly in arrears on the last Business Day of each calendar quarter,

beginning on the first such day following the date on which the Company obtains such Adjusted Base Rate Loan; (ii) in the case of an Adjusted LIBOR Rate Loan, on the last Business Day of the applicable Interest Period (except that if the Interest Period is longer than three months, interest shall also be payable on the last Business Day of every third month in such Interest Period); and (iii) in the case of any Loan, at the respective maturity of such Loan, whether by acceleration or otherwise. All payments and prepayments of principal, interest and fees under this Agreement and the Note shall be made to the Lender prior to 3:00 p.m., Milwaukee, Wisconsin time, in immediately available funds.

(b) The Loans and Letters of Credit shall be evidenced by a loan account or record maintained by Lender in the ordinary course of business. The loan account or record maintained by the Lender shall be conclusive absent manifest error of the amount of the Loans made by the Lender to the Company and Letters of Credit issued for the account of the Company, and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Company hereunder to pay any amount owing with respect to the Loans or the Letter of Credit Obligations.

(c) The Lender is hereby authorized to charge any account of the Company maintained with the Lender for any amount that becomes due under this Agreement.

Section 3.18 Reserved.

Section 3.19 Interest Following Event of Default.

From and after the occurrence and during the continuance of an Event of Default, the unpaid principal amount of all Loans and all other amounts due and unpaid under this Agreement and the Notes will bear interest until paid computed at a rate equal to 2% per annum in excess of the rate or rates otherwise payable hereunder and shall be payable from time to time on demand.

Section 3.20 Deposits; Set Off.

If any Event of Default occurs hereunder, Lender may offset and apply any and all monies, balances, accounts and deposits (including certificates of deposit) of the Company at Lender now or at any time hereafter toward the payment of the Note, whether or not the Note, or any part thereof, shall then be due. Promptly upon its charging any account of the Company pursuant to this Section, Lender shall give the Company notice thereof.

Upon execution, delivery, and acceptance of such assignment, the assignee thereunder shall be a party hereto and, to the extent of such assignment, have the obligations, rights, and benefits of Lender hereunder and the assigning Lender shall, to the extent of such assignment, relinquish its rights and be released from its obligations under this Agreement. Upon the consummation of any assignment pursuant to this Section 9.08(a), the Lender and the Company shall make appropriate arrangements so that, if required, new Notes are issued to the assignee.

(b) Participations. Lender may sell participations to one or more Persons in all or a portion of its rights, obligations or rights and obligations under this Agreement (including all or a portion of its Revolving Commitment, its Note and its Loans); provided, however, that (i) Lender's obligations under this Agreement shall remain unchanged, (ii) Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participant shall be entitled to the benefit of the yield protection provisions contained in Article III, inclusive, and the right of set-off contained in Section 3.21, and (iv) the Company shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under this Agreement, and Lender shall retain the sole right to enforce the obligations of the Company relating to its Loans and its Notes and to approve any amendment, modification, or waiver of any provision of this Agreement (other than amendments, modifications, or waivers decreasing the amount of principal of or the rate at which interest is payable on such Loans or Notes, extending any scheduled principal payment date or date fixed for the payment of interest on such Loans or Notes, or extending its Commitments).

(c) Nonrestricted Assignments. Notwithstanding any other provision set forth in this Agreement, Lender may at any time assign and pledge all or any portion of its Loans and its Notes to any Federal Reserve Bank as collateral security pursuant to Regulation A and any operating circular issued by such Federal Reserve Lender. No such assignment shall release the Lender from its obligations hereunder.

(d) Information. Lender may furnish any information concerning the Company in the possession of Lender from time to time to assignees and participants (including prospective assignees and participants), provided that such assignee or participant (or prospective assignee or participant) agrees to be bound by the confidentiality restrictions of Section 9.09).

Section 9.12 Entire Agreement; No Agency.

This Agreement and the other documents referred to herein contain the entire agreement between the Lender and the Company with respect to the subject matter hereof, superseding all previous communications and negotiations, and no representation, undertaking, promise or condition concerning the subject matter hereof shall be binding upon the Lender unless clearly expressed in this Agreement or in the other documents referred to herein. A certificate as to the amount of such payment or liability delivered to the Company by Lender shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Company to a Governmental Authority, the Company shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(e) Treatment of Certain Refunds. If the Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Company or with respect to which the Company has paid additional amounts pursuant to this Section, it shall pay to the Company an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Company under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Company, upon the request of the Lender, agrees to repay the amount paid over to the Company (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender in the event the Lender is required to repay such refund to such Governmental Authority. Subject to all of the terms and conditions hereof, the Lender and the Company have agreed to such amendment on the terms set forth below.

3 . Amendment to Credit Agreement. Subject to all of the terms and conditions hereof, upon execution and delivery of this Amendment, the Credit Agreement shall be amended as of the date first written above as follows:

a. All references to the Credit Agreement in the Credit Agreement, the Note and the Loan Documents shall refer to the Credit Agreement as amended hereby.

b. Subsection 2 of the definition of "Fixed Charge Coverage Ratio" is amended and restated in its entirety as follows:

c. The definition of "LIBOR Margin" is amended and restated in its entirety as follows:

"LIBOR Margin" means 1.00% per annum.

d. The definition of "Revolving Commitment" is amended and restated in its entirety as follows:

"Revolving Commitment" means the obligation of the Lender to make Revolving Loans to the Company and issue Letters of Credit for the account of the Company subject to the terms and conditions of this Agreement in an aggregate amount not exceeding \$5,000,000, as such amount may be reduced from time to time pursuant to the terms hereof.

f. The first sentence of Section 2.05 of the Credit Agreement is amended to change the figure "0.375%" to "0.1%",

4 . Conditions. Notwithstanding any other provision of this Amendment, this Amendment shall not become effective unless and until it has been executed and delivered by all parties to the Credit Agreement as amended hereby.

5 . Representations and Warranties. The Company hereby repeats and reaffirms the representations and warranties set forth in Article V of the Credit Agreement, including without limitation the representations and warranties set forth in Section 5.05 thereof which are made hereunder with respect to the most recent financial statements and related information provided pursuant to Section 7.06 of the Credit Agreement. The Company also represents and warrants that (A) since June 30, 2013 there has been no material adverse change in the property, financial condition or business operations of the Company and its Subsidiaries, taken as a whole, and (B) the execution, delivery and performance of this Amendment are within the limited liability company powers of the Company, have been duly authorized by all necessary limited liability company action and do not and will not (i) require any consent or approval of the stockholders or members of the Company; (ii) violate any provision of the certificate of formation or limited liability company operating agreement of the Company or of any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to the Company or any Subsidiary; (iii) require the consent or approval of, or filing or registration with, any governmental body, agency or authority; or (iv) result in any breach of or constitute a default under, or result in the imposition of any lien, charge or encumbrance upon any property of the Company or any Subsidiary pursuant to any indenture or other agreement or instrument under which the Company or any Subsidiary is a party or by which it or its properties may be bound or affected. This Amendment does not constitute a waiver or amendment of any term, condition or covenant in the Credit Agreement other than as specifically set forth above. Nothing contained in this Amendment or in any other document, or any course of dealing with the Company, shall be construed to imply that there is any agreement by the Lender to provide any waiver or agree to any amendment in the future. This Amendment shall not release, discharge or satisfy any present or future debts, obligations or liabilities to the Lender of the Company or of any debtor, guarantor or other person or entity liable for payment or performance of any of such debts, obligations or liabilities of the Company, or any mortgage, security interest, lien or other collateral or security for any of such debts, obligations or liabilities of the Company or such debtors, guarantors or other persons or entities, or waive any default except as expressly provided herein, and the Lender expressly reserves all of its rights and remedies with respect to the Company and all such debtors, guarantors or other persons or entities, and all such mortgages, security interests, liens and other collateral and security. This is an amendment and not a novation. The Company acknowledges and agrees that the obligations under the Credit Agreement and the Note exist and are owing with no offset, defense or counterclaim assertible by the Company and that the Credit Agreement, the Note and the Loan Documents are valid, binding and fully enforceable according to their respective terms.
